

From **05.09.22 to 03.12.2022**, the **Netto branch in Stubenrauchstraße 97, Berlin/Rudow** collects the deposit donations and the rounded up amounts at the checkout for Aegean Dogs

On **10.09.22** we were with a stand in front of our partner branch of Netto to make us known to the shoppers. We distributed about 60 information brochures of Aegean Dogs and some advertising media in the form of a shopping cart chip.

We had interesting conversations with the shoppers at Netto. It made it very clear to us that many people are currently worried about their own future. Nevertheless, many Netto customers came out of the store with a smile and said "rounding up at the checkout worked".

We would be very happy if you also donated the deposit at this store for us or rounded it up at the checkout!
