

Little friends collect for animal welfare 💙

An adoptive family has written me a very moving report that I would like to publish:

"There is a little surprise for Animal Protection Aegina & Agistri for Christmas. I am sending them a photo of a couple of little animal friends - one from the animal protection group at the Hannah Arendt Grammar School in Barsinghausen and a couple of friends. They were out and about on two weekends at our Christmas village in Barsinghausen, in the snow and frosty temperatures. They collected donations for the animals. Ein Teil des Geldes und die Sachspenden gingen am Samstag an das Tierheim hier in Barsinghausen.

300 euros have been collected for Animal Protection Aegina & Agistri. I will transfer the money as soon as possible.

I am delighted that the "little" animal lovers showed so much commitment and, thanks to the many donors, were so successful.

We hope that we can support Animal Protection a little with this."

Dear Tischmann family - thank you from the bottom of our hearts for this wonderful campaign - your Animal Protection team
