VETO made it possible - you donated - Aegean Dogs e. V. and Animal Protection say thank you!

You probably remember: VETO called for various donation marathons and we - that is Aegean Dogs e. V. for Animal Protection - were allowed to take part. You donated the food and VETO covered the transport costs to Greece. Together for animal protection: a total of 1433.79 kg of dry and wet food was donated! Wow!

With these photos we say THANK YOU 69 to everyone involved:
