

Many thanks to Aegean Dogs e. V.

Adoptive parents, friends, and sponsors have once again ensured that the food store is well stocked for the next quarter through our German support association, Aegean Dogs e. V. (www.aegean-dogs.de). We were able to purchase dry dog and cat food (for Gastone, Kermit, and Philippe).

Many thanks to everyone who supports our animal shelter so energetically and tirelessly. You know that we couldn't keep all this going without you.
