

Renovation of the septic tank at the animal shelter - Part 2

The renovation of the sewage system has begun. We are happy to take you along on the journey, because it was only with your donations that it was possible to tackle such a large project with these enormous costs.

Delivery of materials:

The chiseling work in the kennels has begun:

Thank you very much, you have taken a huge weight off our shoulders.

We will be happy to keep you updated on the construction work!

We wish you a peaceful Christmas.

Merry Christmas
and Happy New Year!

Your Team from Animal Protection
